The situation in the Middle East

Security Council
Sixtieth year

Identical letters dated 7 October 2005 from the Chargé d'affaires a.i. of the Permanent Mission of Lebanon to the United Nations addressed to the Secretary-General and the President of the Security Council

On instructions from my Government, I have the honour to transmit to you herewith a statistical table showing the Israeli violations of Lebanese sovereignty which occurred during September 2005 (a total of 92 violations).

These violations are in contravention of the relevant Security Council resolutions, the latest of which is resolution 1614 (2005), and go against the Secretary-General's repeated calls for their cessation, most recently in his report S/2005/460 of 20 July 2005. Lebanon urges the United Nations to compel Israel to desist from these violations, which constitute a threat to international peace and security, and holds Israel responsible for any consequences to which those acts may give rise.

I should be grateful if you would have this letter and its annex circulated as a document of the General Assembly, under the agenda item on the situation in the Middle East, and of the Security Council.

(*Signed*) Ibrahim **Assaf**
